**GULF OCEAN LIGHTS LLC**

# ABOUT US

**Gulf Ocean Lights LLC -- A reliable & trustworthy company in Dubai & Middle East Region, which was founded by a team of professionals. We have been serving customers in the field of electrical products / items for more than 25 years now.**

We, "Gulf Ocean Lights LLC ", were established in 1992 to serve Dubai & Middle East Region. Our core objective is to meet requirements of electrical products & items, of all electro mechanical contractors & local traders.

We also offer complete & comprehensive engineering solutions for wide range of customer projects, in this field.

Over the years we have developed wide expertise in this field which allows us to understand specific needs of our quality conscious customers.

We have good business relationships with reputed manufacturers & trading houses, all over the world, who deal in quality products in this field. We are, today, in a position to import & supply to you any top-quality electrical products / items as per your requirements.

Our range of electrical products / items is quite extensive. We are in a position to supply requirements for your residential, commercial & industrial projects. Scope can include everything that is needed for the completion of the project from the start to the end.

We, at Gulf Ocean Lights LLC, are committed to customer satisfaction. We offer wide range of high-quality electrical products at competitive prices. These products / items are fully supported by our reliable & timely after sales service.

We have our office & showroom at Deira. Our centralised distribution centre & other offices are located at National industries Park, Jabel Ali in a spacious area of 1,75,000 sq. ft.

We have our own fleet of delivery vans, pick up trucks & trailers. This ensures that our customers get their supply on time & at desired site locations.

Let us know your requirements & we will be very happy to fulfil them.
